**Farmingville, NY** - On December 10, Supervisor Ed Romaine was on-hand during the demolition of an abandoned house located at 20 Private Road in Medford. The house, which has been empty for more than three years, was in disrepair and in danger of collapsing into the street. Pictured with Supervisor Romaine (second from left) and Anthony Powell, Legislative Aide to Councilman Tim Mazzei (right) are Kathy and Eric Fieldstadt who live across the street from the house. Mr. and Mrs. Fieldstadt had been working with Councilman Mazzei's office to have the house demolished and the property restored to its natural state.

Supervisor Romaine said, "By demolishing this house, we were able to remove a dangerous eyesore that the neighbors have had to live with for too many years. I continue to pledge that I will do everything in my power to rid the Town of unsafe structures by cleaning them up, or demolishing them all together."

Councilman Mazzei said, "I am happy that we finally came to a conclusion with this property. We worked hard over the years to help the neighbors and I appreciate the patience and cooperation of the Fieldstadt's as we navigated our way through every legal avenue to make this happen."
